

DELIVERING FOOD & SMILES ON BICYCLES

WHAT

In the midst of COVID-19, Touchette Bicycle Food Mission was created to address food disparity in the East St. Louis and Centreville communities, known food deserts. During the beginning of the pandemic, children who received nutritious foods from school were left to go without. Because so many children and families were experiencing this, it was the best time to launch the mission. Founded by Touchette Regional Hospital President, Jay Willsher, the mission hits the streets weekly to deliver nutritious meals. Ran on bicycles and the drive to give back, the mission has provided thousands of families and individuals with healthy meals each week.

WHO

Solely made up of volunteers from the hospital and cycling community, the volunteer team is passionate about giving back.

6 Housing Communities
5 Mobile Home Communities
1 Homeless Shelter, St. Vincent De Paul
Families & Individuals

1,100

of Meals Provided Weekly

800

Weekly Burritos

500

Weekly Sandwiches

We are more than grateful for the support of our donors and community. We offer a variety of avenues for donating to make it easy for you. Whether it be through Facebook or a sponsorship package, every donation goes directly towards funding the weekly missions and purchasing food.

We've created a robust sponsorship package to help companies, individuals and organizations partner with us and select a package that fits their needs. To inquire about sponsorships or sign up, please contact us at touchettebicyclefoodmission@touchette.org.
